

C5-Series Accessories

ACCESSORIES TO MEET CLINICAL NEEDS

Take your Motion® C5-Series Tablet PC's productivity to the next level with Motion's customized accessories - improving your workflow through comfort, mobility and connectivity.

Carry Sleeve

The Carry Sleeve for the Motion C5-Series Tablet PC allows users who are on their feet all day, a comfortable and convenient way to transport and use the tablet PC.

Docking Station

The full-featured, mountable, desktop docking station, includes a battery charging bay for keeping batteries charged and ready.

Battery Charger

The battery charger for any Motion C5-Series Tablet PC is an external bay to charge additional batteries, giving the capability of a full day of performance. The charger's LED indicates battery charge status.

*Additional battery sold separately

Mobile Dock

With the Mobile Dock mounting/docking solution, your Motion C5-Series Tablet PC can be mounted in almost any location. Offering full port replication and charging capability, the powered dock is perfect for patient visits.

Medical Grade Adapter

Provide power to your C5-Series Tablet PC with this splash proof adapter certified to meet international medical safety standard IEC 60601-1.

Additional Battery

An additional battery is the perfect companion when working for extended periods of time away from a power outlet. The LED power meter eliminates guessing.

EasyConnect

This lightweight add-on provides one USB 2.0 port and one Ethernet 10/100 port allowing for easy connectivity without compromising your C5-Series Tablet PC's sealed design.

Pen Tether

Don't worry about losing your digitizer pen. The coiled tether provides a convenient method to keep your tablet and pen together without compromising your usage experience.

Auto/Air Power Adapter

Provide power to your C5-Series Tablet PC no matter where your job takes you.

Ask about the rugged edition for an even more durable power solution.

Mounting Solutions

Mount your C5-Series Tablet PC to adapt to a broad range of working environments.
