CL-Series Accessories

A Host of Field-Ready Accessories

Take your Motion CL-Series Tablet's mobile productivity to the next level with Motion's customized accessories – improving your workflow through comfort, convenience and connectivity.

Docking Station

Offers desktop PC functionality and connectivity with 3 USB ports and ethernet, while also charging the tablet PC. Take advantage of complete access to touch applications with streamlined access to the dual-touch display, or easily connect a keyboard, mouse and extended monitor.

Portfolio

Lightweight, professional-grade carrying case also acts as a tablet stand, with two viewing angles in landscape orientation. Integrated hand strap offers portability ease while adding security and stability.

Swivel Portfolio

Professional-grade carrying case doubles as a tablet stand, with 360 degree rotation for multiple viewing angles in both portrait and landscape orientations.

Pen

The CL900 Digitizer Pen enables handwriting and small target navigation and conveniently stores in the tablet's integrated pen bay.

Battery included (AAAA)
Pen only compatible with the Motion CL900

Silicone Slip Cover

Form-fitting, silicone sleeve provides shock and scratch protection for the CL900, while preserving its slim, lightweight design.

Protective Display Film

Protect your CL900 from dirt and smudges while enhancing viewability with the Protective Display Film. This durable, patented 3M technology reduces fingerprints while minimizing glare. Includes 3 films and one squeegee for optimal application.

Carry Sleeve

Lightweight, professional-grade carry sleeve convenient for transporting and protecting the CL900. Adjustable and removable shoulder strap and cross-strap provide a secure hold on the CL900.

Carry Kit

Offers a comfortable and convenient way to carry the CL900 for users without the extra weight of a full carrying case. Includes a handle, shoulder strap and attachment posts.
